

Full-Colour Sublimation For The Outdoors!

ChromaLuxe® Exterior:

Full-Colour Sublimation
Metal signage For The
Outdoors!

ChromaLuxe® Exterior is a durable, exterior-grade sublimation material. This sublimation friendly aluminium sheet is designed to meet the demands of our harsh environment.

Great for outdoors

Perfect for challenging exterior applications, it delivers outstanding print quality and vivid colour. This material may be mounted using a wide range of traditional techniques, including post and wall mounts with screws, slat systems, and adhesives and tapes.

What size can I get?

TuffSign panels come in a sheet size of 1200mm x 2400mm and can be cut to custom shapes and sizes without chipping and cracking.
